VIP MY CLIENTS PORTFOLIO PROMOTIONS AND UPDATES

Dear Colleague--

Hello from a very hot and humid Atlanta. I don't know about the rest of you, but I'm definitely dreaming of cooler weather. And I hear Iceland calling my name — with better ways to visit than ever before.

For those planning an Icelandic sojourn next year, Iceland ProCruises just announced a brand new special: **FREE** pre-/post-cruise land programs in conjunction with their eight-day "Best of Iceland" itineraries in 2021. More details below.

Although I miss attending conferences and catching up with friends, I'm also looking forward to connecting with a few familiar faces at Virtual Virtuoso next week.

And we'll be passing along some information over the next few weeks about a virtual trade show that our sister company, Re•Think Travel Marketing, is offering soon. Ana on our team has been working extremely hard to create this exciting, new event and we think it's going to be a great show.

Stay safe out there!
