VIP MY CLIENTS PORTFOLIO PROMOTIONS AND UPDATES

Dear Colleague,

I can see the light at the end of the tunnel! And although we still have a very long way to go and much to recover from, I'm encouraged by the uptick in booking requests and inquiries trickling into my inbox.

From postponing my wedding to seeing my industry friends and my Emerging Destinations team struggle over the past few months, I'd definitely like to press "Fast Forward" on 2020!

But the show goes on. Our Polar & Small Ship clients are ready (and excited) to welcome your guests to the Peruvian Amazon, Iceland, Greenland, northern Canada, the Arctic and beyond.

Please enjoy our blogs below and sign up for our webinars. If you're interested in a **private webinar** with us, please don't hesitate to [reach out](#). We're always eager to dive into the cool companies that we represent.

We look forward to seeing you soon!

Jessie
