Dear Colleague,

Wherever you are on planet Earth, you're probably under some sort of COVID-19 lockdown and hoping to see that proverbial "light at the end of the tunnel" sooner rather than later.

Georgia is slowly reopening, but many of the businesses here in Atlanta remain closed and most people continue to stay at home. But we're optimistic about the future! Remy, my dog, has really enjoyed his time in quarantine. He gets unlimited walks, belly rubs and treats. During these stressful times, he sure knows how to lift my spirits.

Although [Adventure Canada](#) and [Iceland ProCruises](#) will not be welcoming passengers onboard for the rest of this year, there's so much to look forward to in 2021. Learn more about how Adventure Canada got started and how Iceland ProTravel can plan your perfect week in Iceland below.

Meanwhile, all of us at Emerging Destinations have been working hard to create great new webinars over the coming months and we hope you'll join us! You can register below.

Thanks for your continued support!

Iceland: The Complete Adventure

Ready for an unbelievable week in Iceland?

[Iceland ProTravel](#) offers an exciting series of day tours from Reykjavik that take in much of what makes Iceland such an awesome place to visit, from incredible nature to fascinating culture and history.

In the Beginning There Was....

[Adventure Canada](#) started as a dream when brothers Matthew and Bill Swan, and friend David Freeze, began taking travelers to "off the map" destinations. Over 30 years later, they're still doing it.

Matthew, Bill and David were enjoying an adventurous life as whitewater rafting guides on Canada's Ottawa River when they came up with the idea of getting a bit farther a field.

Cruising Solo Doesn't Mean You Have to Sail Alone

Thinking about cruising in the Amazon but don't know who to take along?

[Jungle Experiences](#) knows that human relationships are essential. But they also realize that the experience aboard one of its cruises is unique. And you never have to be alone.

You'll make at least 30 new friends, who are probably having their first experience in the jungle, just like you.
