Hello Colleague,

I think we could all use a little bit of zen right now. We hope that you can use this newsletter to escape to Africa for a moment, picture yourself with a G & T watching a baobab sunset. Precisely the photo that we've chosen as our newsletter banner this month.

Anyhow, catch up on all of the latest from our cool African clients below.

As always, we're happy to assist with anything you need! If you'd like to catch up (or just need to vent) **book a virtual appointment** with us above.
